

Macroeconomic Policy and Strategy Expert

Public Private Partnership Authority (P3A) is a leading Federal entity, dedicated to fostering collaboration between the public and private sectors for sustainable development and economic growth. P3A requires the services of a top-quality professional to advise on macroeconomic policy and strategy development. The selected expert will focus on integrating macroeconomic considerations into P3A's strategic framework, ensuring alignment with national development goals and global best practices.

Interested candidates are required to submit the **online Application Form** and upload their **CV/Resume in PDF** by clicking on the "**Apply online**" link for **Macroeconomic Policy and Strategy Expert**.

Deadline for Submission

The deadline for submission of online Application February 16, 2025, 11:59 PM (PST).

Minimum Eligibility Criteria

- Post-graduate degree in Economics, Public Policy, Development Studies, or a related field from a local or foreign institution recognized by the Higher Education Commission (HEC); graduates from top-ranked global universities/institutions will be given preference.
- At least 10 years of professional experience in macroeconomic policy analysis, economic strategy formulation, or development planning.
- Strong understanding of macroeconomic principles, public-private partnership frameworks, and economic impact assessments.
- Experience in advising public sector organizations on macroeconomic policy, national planning, and investment strategies.
- Familiarity with PPP frameworks, infrastructure financing, and sustainable development policies in Pakistan and internationally.
- Must have a strong understanding of P3A's mandate and its role as a Federal PPP regulator.

Terms of Reference

The expert will be expected to undertake the following tasks:

- a. Analyze economic trends, fiscal policies, and sector-specific growth patterns to support P3A's PPP strategies.
- b. Assess the macroeconomic impact of proposed PPP projects, providing actionable recommendations.
- c. Ensure P3A's initiatives are aligned with Pakistan's national development goals, including the "Uraan Pakistan" Home-grown National Economic Transformation Plan (2024–2029), as well as international development frameworks.
- d. Support the integration of macroeconomic considerations into pipeline development and project prioritization.
- e. Develop strategies for sustainable PPP project implementation based on fiscal space and economic indicators.
- f. Recommend policy interventions to enhance private sector participation in national development.
- g. Share global best practices and lessons learned to refine P3A's strategic outlook.
- h. Collaborate with government agencies, multilateral organizations, and private sector stakeholders to gather insights and align strategies.
- i. Facilitate dialogue on macroeconomic issues impacting PPP project execution.
- j. Provide recommendations to enhance PPP-related regulations, ensuring they reflect macroeconomic realities and global trends.
- k. Support the formulation of policies to address fiscal and economic risks in PPP projects.
- l. Any other tasks related to macroeconomic analysis, policy development, and alignment of PPP initiatives with national and international frameworks, as may be assigned from time to time.

Additional Terms & Conditions

- Contract term 06 months (intermittent); extendable based on organizational need (subject to performance)
- Candidates must be able to attend work meetings in-person in P3A office on a regular basis
- Remuneration: Market competitive

P3A is an equal opportunity employer. It is committed to achieving workforce diversity. Women, individuals from minority groups, people from all provinces/regions of Pakistan, and persons with disabilities are equally encouraged to apply.
