

Public-Private Partnership Procurement Expert

Public Private Partnership Authority (P3A) is a leading Federal entity, dedicated to fostering collaboration between the public and private sectors for sustainable development and economic growth. As a federal regulator under the P3A Act, the Authority is seeking the services of a highly qualified professional to provide expertise in the development and execution of procurement frameworks aligned with P3A's mandate. The specialist will play a key role in advising on PPP project procurements, creating guidelines, and ensuring adherence to both national and international procurement laws and standards.

Interested candidates are required to submit the **online Application Form** and upload their **CV/Resume in PDF** by clicking on the **"Apply online"** link for **PPP Procurement Expert**.

Deadline for Submission

The deadline for submission of online Application February 16, 2025, 11:59 PM (PST).

Minimum Eligibility Criteria

- Post-graduate degree in Business Administration, Public Administration, Economics, Finance, Engineering, or a related field from a local or foreign institution recognized by the Higher Education Commission (HEC); graduates from top-ranked global universities/institutions will be given preference.
- Certifications in procurement or specialized training in PPPs, PEC, or FIDIC frameworks will be considered an advantage.
- At least 10 years of professional experience, with a minimum of 5 years in infrastructure procurement or PPP-related procurement.
- Strong knowledge of PPRA rules, PEC regulations, and FIDIC standards.
- Proven track record in managing large-scale procurements, including drafting, evaluating, and negotiating contracts.
- Experience with national and international procurement regimes, including infrastructure project procurement.
- Deep understanding of PPP models, procurement laws, and compliance frameworks.
- Familiarity with financial and legal aspects of PPP transactions will be a plus.
- Proven track record of working with public/private sector organizations, including experience with federal-level entities in Pakistan or internationally.

Terms of Reference

The expert will be expected to undertake the following tasks:

- a. Develop and refine procurement frameworks and processes for PPP projects, ensuring alignment with the P3A Act and international standards.
- b. Provide expert advice on infrastructure procurements with a focus on PPPs, including drafting RFPs, bid evaluation processes, and contract finalization.
- c. Guide the procurement process for consultants, transaction advisors, and independent experts.
- d. Ensure compliance with procurement regulations, including PPRA rules and international procurement regimes.
- e. Develop recommendations for unsolicited proposals, concession agreements, and renegotiation principles.
- f. Analyze and optimize procurement workflows to improve efficiency and transparency.
- g. Provide technical input on procurement-related disputes or compliance matters.
- h. Remain up to date with global trends in procurement practices and integrate innovative solutions into the regulatory framework.
- i. Any other task related to procurement, as may be assigned from time to time.

Additional Terms & Conditions

- Contract term 06 months (intermittent); extendable based on organizational need (subject to performance)
- Candidates must be able to attend work meetings in-person in P3A office on a regular basis
- Remuneration: Market competitive

P3A is an equal opportunity employer. It is committed to achieving workforce diversity. Women, individuals from minority groups, people from all provinces/regions of Pakistan, and persons with disabilities are equally encouraged to apply.
